### 18<sup>th</sup> of January in the Year of Our Lord 2019

Dear Parents:

Thank You parents for attending the “Coffee with the Principal and Teachers” this past Sunday. The time to share ideas and listen to one another is of tremendous value and I appreciate all the insight I gather from these events.

I like what I am seeing with the Homework Haven...the kids are enjoying working on homework together, but most important, every child receives one on one attention from the teachers in this setting also. I have asked the teachers to initial the homework that has been completed and our goal is to complete most, but not all of what is assigned. I have had a discussion with the teachers to evaluate the type of homework they are giving...busy work versus work that has a specific intent, is effective and supports mastery of a standard. Please feel free to speak with your child’s teacher about homework as your observations and thoughts are valuable as teachers evaluate what they do.

Please remember to send an afterschool snack for all the afterschool events. Also, most of our events are ending at 5pm...there is no one to answer the front gate. **PLEASE PICK UP YOUR CHILD from the BACK.** The Cafeteria door will be open, the light turned on and the door to the courtyard open.
